

2nd Online Congress: Logic in Society

from november
8 to 12,
2021

We wait for your assistance to this magnificent event!!!

During five days, about twenty experts from four continents will give their views on important issues such as:

Theoretical logic vs Applied logic. Contributions of History and Sociology to Social Logic. Logic and Common Sense. Logic and illogic in Education. Logic of social inertia vs. Logic of social conscience... .What do philosophers, historians, psychologists, writers, art producers, religious, sociologists, unionists, engineers, doctors and businessmen think?

Do not miss it!!!

what is social logic?

It is the part of philosophy that studies the forms and laws that govern knowledge and human thought; applied to social studies ...
